

Short Summary:

Tributes are pouring in for India's former President A.P.J. Abdul Kalam, also known as the "Missile Man of India," was one of the most respected and beloved leaders in Indian history.

Detailed Summary:

Tributes are pouring in for India's former President A.P.J. Abdul Kalam, also known as the "Missile Man of India," was one of the most respected and beloved leaders in Indian history. His life continues to serve as a beacon of inspiration for all Indians, especially the youth who see him not just as a scientist or a leader, but as a symbol of what dedication and perseverance can achieve.
